

Monday night, was postponed for

Wolville
A. T. Johnson, who has been a patient for some time in the Federal reformatory hospital, returned to his home on Thursday of last week, somewhat improved in health.

Wolville—Mr. and Mrs. Dick Mann were last Sunday guests at the R. A. Bennett home.

Master Freddie Dolan of the Elkhorn district, who formerly attended school at Fettle Fount, is at present attending Wolville.

Miss Betty Herley, Kelowna, B.C., is at present visiting her

ANNOUNCEMENT

NEWS

We have taken over the garage and service station formerly operated by Mr. F. W. Pratt.

To Mr. Pratt's former customers, we express the hope that you will continue to favor us with your patronage -- to the public at large, we seek your business. We will do our utmost to offer you the best of service -- at the most reasonable cost -- and to merit your confidence in every way.

In the near future, we hope to have a test-drive mechanic in charge of our repair department. In the mean-time, we offer you a complete "service station" service.

We hope to make your acquaintance—and to have an opportunity to demonstrate our service.

Brooks' Service Garage

YOU tell what you say, but in churches as everywhere, "Do you actually want second-rate guidance for the souls of your children?"

THE NEW GMC

has everything it takes!

Models of every capacity to meet your hauling needs

There's a big truck coming along in our showrooms—the 1939 GMC has arrived! It's the truck that has everything it takes for money-saving transportation.

POWER!

Improved engines, newly designed carburetors, valves, camshafts and manifolds, have increased horsepower...

STAMINAL!

Sturdier, modern and every bit as rugged as they look!

THE CAR THAT BREAKS DOWN!

GMC built you a truck that won't break down...

ECONOMY!

The famous GMC value-to-cost ratio is improved to provide lasting economy...

EVERYBODY'S BUSINESS
by Don Graham

It is not a secret, nor is it a mystery, that the business of the world is a very simple one. It is the business of making money. And the way to make money is to sell what you can, to the people who want it.

County Governing System

The Laclede County Governing System is a system of local government that is designed to provide the best possible service to the people of the county.

Reflections of The Times

Looking back on the events of the past few years, it is hard to believe that we have come so far. The world has changed so much, and so have we.

Country Governing System

The Laclede County Governing System is a system of local government that is designed to provide the best possible service to the people of the county.

Reflections of The Times

Lincoln-West Branch News

The Lincoln-West Branch of the Lacombe Electric Service has been successful in raising funds for the purchase of a new generator. The committee, headed by Mrs. J. H. Smith, has been working hard to collect donations and has managed to raise the necessary amount. The new generator will be installed soon and will provide a more reliable source of electricity for the branch.

Economics Expert Guest Speaker at Board of Trade

Mr. A. Douglas, Economics Expert, was the guest speaker at the Board of Trade meeting on Thursday evening, March 14. Mr. Douglas, who is a well-known economist, spoke on the current state of the Canadian economy and the challenges it faces. He discussed the impact of inflation, interest rates, and government spending on the economy. He also touched on the role of the private sector in driving economic growth.

The meeting was held at the Bentley Centre and was attended by a large number of community members. Mr. Douglas's presentation was well-received and provided valuable insights into the current economic climate.

Following the presentation, there was a Q&A session where Mr. Douglas answered questions from the audience. The meeting concluded with a presentation by the Board of Trade on their upcoming projects and initiatives.

The Board of Trade is committed to providing valuable information and resources to the community. They encourage all interested parties to stay informed about local economic developments.

For more information on future events and meetings, please contact the Board of Trade at 255-1111.

The Board of Trade is a non-profit organization dedicated to promoting economic development and providing support to local businesses.

Mr. Douglas's expertise in economics has made him a sought-after speaker at various community events. His presentation was a highlight of the evening.

The Board of Trade is proud to have hosted such a knowledgeable speaker. They look forward to future events and continuing to serve the community.

Special thanks to all who attended the meeting and to the Board of Trade for their efforts in organizing the event.

Clive School District Electors Discuss Centralization, Inclusion

Members of the Clive School District Board of Education met on Tuesday evening, March 12, to discuss the centralization of school services and the inclusion of new schools into the district. The board members discussed the pros and cons of each option and the impact it would have on the district's finances and operations.

Local Farmers Take Ribbons at Calgary Bull Sale

Local farmers from the Lacombe area took home several ribbons at the Calgary Bull Sale on Tuesday, March 12. The sale was held at the Calgary Stock Exchange and featured a variety of high-quality breeding bulls. The local farmers' bulls were well-represented and won several top honors.

Lions Host John Dwyer at Regular Meeting Monday

The Lions Club of Lacombe hosted John Dwyer at their regular meeting on Monday evening, March 11. Dwyer, who is a well-known community leader, spoke on the importance of community service and the role of the Lions Club. The meeting was well-attended and Dwyer's presentation was highly praised.

Oil Worker From Tees Is Killed at Leduc

A tragic accident occurred at the Leduc oil field on Tuesday, March 12, resulting in the death of an oil worker. The worker, who was in his late 30s, was killed while working on a wellhead. The cause of the accident is still under investigation, but it is believed to have been a result of a safety protocol being overlooked.

Early Construction Of Fairview Power Line Is Expected

Construction of the Fairview power line is expected to begin in the near future. The line, which will connect the Fairview area to the main power grid, is a long-awaited project that will greatly benefit the local community. The construction is being managed by a local contractor and is expected to be completed within a few months.

"White-on-Blue" Color Theme For New License Plates

The Alberta government has announced that new license plates will feature a "white-on-blue" color theme. The new plates will be made of reflective material and will be more visible at night. The change is part of a larger initiative to improve road safety and reduce the number of accidents caused by poor visibility.

Former Bank Manager At Bentley Dies

Mr. J. H. Bentley, a former bank manager and community leader, passed away on Tuesday, March 12. Mr. Bentley was a well-respected member of the community and had a long and successful career in banking. His death is a significant loss to the community.

Average Is \$47.83 For 623 Horses at 2-Day Sale

Price Show Big Drop From 1960

A two-day horse sale was held at the Lacombe Fairgrounds on Tuesday and Wednesday, March 12 and 13. A total of 623 horses were sold during the two-day event. The average price for the horses was \$47.83, a significant drop from the average price of \$100 in 1960. The sale was well-attended and the horses were sold quickly.

Doeherty, Gyorj Are Returned in Municipal Vote

Doeherty and Gyorj were returned to the municipal council in the recent election. The two candidates ran on a platform of improving local services and reducing taxes. They were elected by a large margin and will continue to serve the community.

Bentley Elks Hear Address On "Education Week"

The Bentley Elks Club hosted a meeting on Tuesday, March 12, to hear an address on "Education Week." The speaker, who is a well-known education expert, discussed the challenges facing the education system and the role of the Elks Club in supporting education. The meeting was well-attended and the speaker's presentation was highly praised.

At the Garden Club Meeting

The Garden Club of Lacombe met on Tuesday, March 12, to discuss the upcoming spring garden tour. The club members discussed the route of the tour and the types of plants that will be featured. The tour is expected to be a great success and will provide a wonderful opportunity for members to enjoy the beauty of the garden.

Good Points Overlooked

The Lacombe Fairgrounds are a beautiful area with many good points that are often overlooked. The grounds are well-maintained and provide a great setting for various events and activities. The fairgrounds are a valuable asset to the community and should be better appreciated.

Central Alberta Golf Club Set to Be Held Early June

The Central Alberta Golf Club is planning to hold their annual tournament in early June. The tournament is a highly competitive event that attracts golfers from all over the province. The club is excited to host the tournament and hopes to provide a great experience for all participants.

Local Highlights

Local highlights include the upcoming spring garden tour, the Bentley Elks Club meeting, and the Central Alberta Golf Club tournament. These events are all expected to be great successes and provide a wonderful opportunity for the community to come together.

CHARTER POSTER For Sale

Price \$1.00

A charter poster for sale, featuring a beautiful landscape and a list of names. The poster is in excellent condition and is a great addition to any collection. It is available for sale at a special price of \$1.00.

F.U.A. Local Is Organized By Gull Lake Farmers

The F.U.A. Local is being organized by the Gull Lake Farmers. The local is a new organization that will provide a voice for farmers in the Gull Lake area. It is expected to be a great success and will provide a valuable service to the community.

Old Time Blockheads Resident Passes Away in Edmonton Hospital

Mr. J. H. Bentley, a well-known community leader and resident of Lacombe, passed away in the Edmonton Hospital on Tuesday, March 12. Mr. Bentley was a long-time resident of Lacombe and was well-loved by the community. His death is a significant loss to the community.

Central Alberta Golf Club Set to Be Held Early June

The Central Alberta Golf Club is planning to hold their annual tournament in early June. The tournament is a highly competitive event that attracts golfers from all over the province. The club is excited to host the tournament and hopes to provide a great experience for all participants.

Local Highlights

Local highlights include the upcoming spring garden tour, the Bentley Elks Club meeting, and the Central Alberta Golf Club tournament. These events are all expected to be great successes and provide a wonderful opportunity for the community to come together.

the "happiest" day of his life. He was married to his wife, Mary, on the 10th of April, 1901, at the residence of his parents, Mr. and Mrs. J. H. Adams, in the city of New York. The ceremony was performed by the Rev. Mr. J. H. Adams, and was attended by a large number of friends and relatives. The bride and groom were both dressed in white, and the ceremony was a most beautiful one. The couple were married in the city of New York, and have since lived happily ever after.

Education In 1893 Was Done With Here...

Placed above is a view of the first schoolhouse which was built in Lacombe in 1893. This school satisfied educational requirements in the district for over seven years and was situated at the site of the present school, situated slightly north of the Lacombe Cemetery.

Before Lacombe Grew To This Size in 1901

This is a picture of Lacombe, N.W.T. in 1901, looking north-west from the C.P.R. station. In the foreground is the triangular block, which still exists. To the right foreground is the site of the first schoolhouse. In the background is the site of the present school. On the extreme right is the site of the first schoolhouse.

Trace Educational Developments Up to the Present.

School Education Formally Started In This District In The Year 1893

The history of Lacombe school education is a story of growth and development. It began in 1893 when the first schoolhouse was built. The school was a small, simple building, but it was the first step towards providing education for the children of Lacombe.

As the town grew, the schoolhouse became inadequate. In 1901, a new schoolhouse was built, and in 1903, a third schoolhouse was built. The schoolhouse in 1903 was a two-story building, and it was the first schoolhouse to have a separate entrance for the boys and girls. The schoolhouse in 1903 was a two-story building, and it was the first schoolhouse to have a separate entrance for the boys and girls.

The schoolhouse in 1903 was a two-story building, and it was the first schoolhouse to have a separate entrance for the boys and girls. Auditorium Is Specious In New School

Implying a long hall used in Lacombe is the new auditorium of the school, which has all the facilities necessary for far-distant stage plays.

The stage itself is about 34 feet square, allowing ample depth for different scenes and settings.

There are spacious dressing rooms for the players, the girls on one side of the stage and the boys on the other.

Accurate plaster has been used on the back wall and ceiling of the hall. This holds down the echo, and makes voices clear and audible.

The hall has a seating capacity of about 150. Lending off the sides of the auditorium are storage rooms for chairs and mats when not in use.

A modern air conditioning unit has been installed. A fine breeze wafts air from the ceiling, and cold air ducts along the walls push the cold air up and out. In the summer, the auditorium is reversed, and the warm air is removed while cold air is blown in.

There are four fire exits provided in the auditorium. Two of these are located at the back and two at the front, for quick egress.

Fire Alarm Protection At Lacombe School

The new school has been divided into a network of fire walls, to provide maximum protection against fire. The divisions actually break the building into four fire-proof sections.

In the corridors are three sets of steel doors, which prevent air drafts and hold down the fire hazard.

In addition, there are three fire attachments to which are connected segments of the school. One is located near the stage and another, on the workshop (first extension), and one is the corridor to the south. Attachments to a two-inch fire hose.

On the morning of February 8, school commenced in earnest. Among the first pupils in attendance were Rita, Mary, Charlotte, Frances and Cliff Turville, from Allen Jones, Jake and Lenox.

The first school was built of logs and Mr. Turville donated one acre of land for a school site. Mrs. R. B. Talbot was the first teacher, her salary was \$4.00 per month. An amendment of two and one-half cents per acre was added to the school purposes.

On February 23, 1886, a number of the larger school units were being made throughout the province in 1920 Mr. Perry Call, divisional representative was present at the annual meeting to see about Turville paving.

The third school or the new school as it was called was used for students from grades seven to ten. Inclusive while the other school accommodated the pupils of the junior grades. Along came the Turville family, from Allen Jones, Jake and Lenox.

By 1908 the school tax was \$2.50 per quarter section and the teacher's salary \$500.00 per year.

In 1910 the country had become better settled and the little log school house that had served the community for fourteen years was too small. It was necessary to build another school. Mr. P. Call, divisional representative was present at the annual meeting to see about Turville paving.

Lacombe School Divisional Board Trustees

P. R. CULL D. A. PIERCE J. H. ROGERS

An Open Letter
To The Public...

THE Boards of the Lacombe Division and the Lacombe School District are proud to present the new Divisional High School centre at Lacombe.

THE Board of the Lacombe District displayed courage and intelligent planning in initiating the erection of such a fine structure. The policy of the Divisional Board to provide a modern school program for its pupils led to the amalgamation of the town district in the Division and provided the necessary support for financing and operating a school of this magnitude.

A Special Editorial-News Feature

What the School Means
In High School Program

(Continued From Page One)
The question isn't easily answered. Nor is it a question of straight dollars-and-cents accounting through lack of proper information, then the problem of financing becomes secondary in importance.

The division is faced with what is a new school in the town. It will be a system of an education, evolve, where the budget would be better utilized in looking up the school system as the "ladder" system.

It is a system of an education, evolve, where the budget would be better utilized in looking up the school system as the "ladder" system.

Robb and Honer
Mrs. A. Sengh

Mr. Robb and Mrs. Honer were recently elected members of the Lacombe branch of the Canadian Cancer Society. Mrs. Honer was elected president and Mr. Robb was elected vice president. They were elected at a meeting of the branch held at the home of Mrs. Honer on April 22.

100-Day Sales For Month's Ago

The Lacombe branch of the Canadian Cancer Society has announced that it has received a grant of \$100 from the federal government for the month of April. This grant is part of a larger program to help cancer patients and their families.

CANCER IS THE MOST DANGEROUS OF ALL MAJOR CAUSES OF DEATH... IF DETECTED EARLY!

SURGERY X-RAY RADIUM

THE ONLY COMPLETE TREATMENT FOR CANCER

EMPHASIS must be placed on the fact that surgery, X-ray and radium are at present the only accepted methods for cancer.

It is important to note that the use of these methods is not a guarantee of cure, but it is the only way to fight the disease. The Lacombe branch of the Canadian Cancer Society is working to educate the public about the importance of early detection and treatment.

ADMITTANCE FREE

For all patients, regardless of their financial situation, the Lacombe branch of the Canadian Cancer Society provides free admission to its services. This includes medical consultations, X-ray treatments, and radium treatments.

PLEASE SEND FREE LITERATURE AND INFORMATION ON CANCER TO:

Meet The Challenge

The Canadian Cancer Society is challenging you to join the fight against cancer. By becoming a member, you can help support the research and treatment programs that are making a difference in the lives of cancer patients.

Give Generously

Help us fight cancer by giving generously. Your contribution will go towards the purchase of medical equipment, the salaries of medical staff, and the costs of research and treatment programs.

SCHOOL DIVISION COMPLETES BUSINESS WITH COMMITTEE APPOINTMENTS

The Lacombe School Division has completed its business with the appointment of a new committee. The committee will be responsible for overseeing the school's financial affairs and ensuring that the school is operating efficiently.

Planting Certified Seed Potatoes

The Lacombe branch of the Canadian Cancer Society is sponsoring a program to plant certified seed potatoes. This program is designed to help farmers improve their yields and ensure that they are using high-quality seed.

The Lacombe Globe, Thursday, May 26, 1946

Lacombe Four-Point W. J. Hulse Meeting For Month of May

Twelve members of the women's section and five guests were entertained by Mrs. J. Hulse and Mrs. Dick Hulse on Wednesday afternoon, May 19.

Ball food was prepared by Mrs. Hulse and her daughters, and a variety of plants and bouquets were on the table.

It was voted to give \$5.00 to the provincial fund, being collected and sent a delegate to the annual meeting in Vancouver, B.C.

Mrs. D. Hall was chosen to be the official delegate at the Red Deer convention, on June 7.

Mrs. C. Chapman gave an interesting account of her visits with different institutions in Blue Lake, Mrs. Chapman will speak on the subject of "The Women's Section of the C.R.D." Tuesday morning at 10:30.

The ladies of the Home were given by Mrs. Kent.

Mrs. W. McKinnon was the guest in the kitchen last week.

The next meeting will be at the home of Mrs. M. Vautour on June 19. This will be the last of the series as Mrs. Vautour has been invited to attend the annual meeting.

Enlightening Talk By Kneel Macgregor on Socialism As a Political Faith Examined By Guest Speaker

There is no finer education in the world than socialism, the speaker affirmed.

Macgregor, a well-known socialist, spoke at the Lacombe branch of the C.R.D. on Wednesday evening, May 23.

Macgregor, who moved to Lacombe after the war, was employed by the Swedish government for a number of years.

He served under both labor and capitalist regimes.

Macgregor, who is a member of the Lacombe branch of the C.R.D., spoke on the subject of "Socialism as a Political Faith Examined By Guest Speaker."

Bushell, Bushell, Bushell

WHY talk about anything after Bushell is the subject on the tip of everybody's tongue, as Lacombe has two-day tournaments on the agenda.

Lacombe has shown more courage and enterprise in sponsoring the annual tradition of holding a tournament of this size. The amount of work involved has been underestimated, and indeed has been underestimated in most quarters since the idea first took root. Disorganizing many long hours of planning and general organization, some of the major considerations and preparations have included: building construction, the bushell, bushell, parking, gas administration, tournament, accommodation (both sleeping and eating), exhibits, publicity, dance and social activities, and other like problems.

Those organizing these events' resting on the shoulders of the last season. The Canadian bushell is leading (recreational) sport. Lacombe is sponsoring bushell events on both days of the tournament and handling other necessary duties. The latter group around Lacombe have been very willing and ready to do their part, and temporary help groups are being set up in town. Their decision to sponsor the event is being aided by restaurants during rush hours. Other residents, individually and as a body, are gladly affording their assistance. The

Examination Time

The end of another school term is in sight for thousands of students across the province, and the final goal is to prepare for the examination which will determine their future.

First departmentals for grade 11 students get underway on Friday, June 15, with Alberta 11 Grade 1 departmentals start on Monday, June 16, with General Science and Health, and they'll continue until through the end of the term, Friday, June 20.

Grade 10 and 11 pupils are back in school, as their school year officially comes to an end on the day of the departmentals, June 20. They are writing presentation tests in the week and week.

For public school students the week and week.

Government Regulation

GOVERNMENTS have a way of forcing some regulatory and monetary regulations on the public, for whom they are theoretically put in place to serve. It has become common practice to wrap up every part of documentary legislation in an order "two" type, and it wouldn't be such a bad idea to only the advisory right at the source now and again.

Forming Notes

Effect of 2-4-D on Cornel Crops

Most farmers on the prairie have come to appreciate the value of 2-4-D in killing weeds in growing grain crops. But it is well to remember that certain grain crops may be injured by this chemical if it is applied under certain conditions.

Early experimental work and field observations have indicated that the amount and severity of the damage depended largely on the type of soil, the amount of rainfall, the stage of crop growth, the formulation and dosage of 2-4-D used, and to some extent on the kind or variety of the crop being treated.

Delayed experimental studies in the three prairie provinces have shown that at which grain crops are most resistant to 2-4-D application. Their tests showed that in wheat, oats and barley severe damage resulted if the chemical was applied to the early stages of growth when the plants ranged from one to six inches high.

Barley was the most resistant to 2-4-D, usually two weeks before heading until the crop was fully headed.

It was found if 2-4-D was applied in the early period of growth, it caused a high degree of defoliation, plants, delayed ripening and reduced yields. At the later stage, the plants were marked in weakened straw, stunted flowers and reduced in yield. Barley showed that crops which grew slowly due to long periods of hot or cold dry weather, had considerably more resistance to the chemical than crops which had plenty of moisture and grew rapidly.

So when you make your 2-4-D applications, don't forget to keep these various factors in mind.

Building Boom Continues Unabated in Lacombe

Three citizens are now in the midst of another exciting building boom as construction of homes and business blocks proceeds.

For the first three months of the year, building permits to the value of only \$4,200 were issued by town surveyor C.B. Hyndman.

The actual work of spring and early summer construction, the last 5 months has seen new business valued at \$104,800.

The largest of these is for a \$25,000 hotel, which is now in the process of erection on T street. Other new businesses include Ray Schlegel's new \$12,000 business block, Hyndman's \$9,000 hotel, and Popper's \$10,000 auto body shop.

Another gratifying feature of the town's building program is the variety of new dwellings going up. There are 11 new houses, for which building permits have been issued since April 1. Exemption now being dug forward the issue of further permits for dwellings, before many more days have passed.

Here are building permits since April 1:

North West, through house, \$ 200

John Bishop, contract new garage, 1,000

Charles McCarthy, contract new dwelling, 1,000

H. H. Hagen, through house, 200

Harold Gen, move building, 200

D. E. Slay, contract new dwelling, 1,000

A. C. Chilton, contract small house, 500

L. A. C. contract new dwelling, 1,000

W. B. Brown, contract new dwelling, 1,000

Frank Ramsey, contract new addition to dwelling, 1,000

J. J. Powell, contract new garage, 1,000

William Allen, contract new business building, 4,000

P. G. Robinson, repairs, 100

W. J. Thompson, contract business block, 12,000

Mrs. Ada Vangelis, contract new addition-way, 100

Frank Reid, contract new dwelling, 4,000

M. J. Hyndman, contract new dwelling, 1,000

Francis Gray, contract new addition to house, 4,000

James Christensen, contract new dwelling, 1,000

A. E. Ellis, contract small, 10,000

D. J. Thompson, contract new garage, 1,000

Alfred Wheat, contract new dwelling, 1,000

M. T. Swain, contract new dwelling, 1,000

Pedergrey, contract porch to house, 1,000

B. B. Reed, contract new dwelling, 4,000

C. E. Mielke, contract porch to house, 100

Vincent Popper, contract business building, 4,000

Robert Smith, contract new dwelling, 4,000

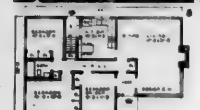

Total \$104,800

Previous Total 4,200

\$109,000

Committed with the building program is a natural extension of the town's growth and development. An appropriation of some \$4,000 is being expended to pay water mains in the northwest area of town, to cover property recently purchased for 11 households under the V.L.A. small business plan. Calgary Power Ltd. has accepted responsibility for most of the water. New sewers are also being installed in industrial blocks where retrofits have been requested, under "local improvement" (two-thirds of the cost is borne by the contractor, one-third by the city). Most notable of these is the two-block sewer extension on 56 (Dixie) street from the Atlas Lumber Co. to the new school.

A Home For Gracious Living

The Collet features a large combination living and dining room, which dominates the three bedroom house. Of special interest are the large bathroom of windows which overlook the front landscaped lawn.

The small front bedroom is desirable, and may also be used as a den or office, since it is so easily reached from the entrance vestibule. The other two bedrooms are cross ventilated and possess large wardrobes. In addition to these, a linen closet and two clothes closets are conveniently located in the bedroom hall.

Front bedroom windows are high to add visual space for furniture.

Overall dimensions are 44 feet by 30 feet. Price \$19,900 in 12% down, balance \$1,200 cash.

Additional information on this plan is available. Anyone desiring this is invited to contact this paper. Blueprints are also available at a cost of \$10.00 each.

Our Specialized English Car Service
In repairs, tune-ups and general all-round care is proving to be too large for our quarters.

We hope to be moving within the next month into the large building presently occupied by Popow's Auto Body Shop. Then you may expect even finer specialized service and repairs on all makes of English cars ... and the some sales agency for the popular Morris.

Meanwhile, we are carrying on business at the same old stand. Come in and see us for information on the Morris ... or for servicing on your English-Land Car.

• HALF-TON MORRIS TRUCKS Will Be Available Soon!

Wolvieville

Mr. and Mrs. J. Raymond and daughter of Edmonton visited Gordon's parents Mr. and Mrs. A. Gordon last Thursday and Friday.

The family club met at the home of Mr. and Mrs. George Graham last Thursday with a good number of members present, and four visitors. The club arranged a dinner June 10 at the home of Mrs. J. A. Graham, and the dinner was a success. The club also had a social at the home of Mr. and Mrs. J. A. Graham last Friday.

Mr. and Mrs. William Suggs, who have sold their home at Birch, Port, have been visiting in the district since last Thursday. After spending Sunday at the home of Mr. and Mrs. J. A. Graham, they returned to Port, where they are located for the present.

The next meeting will be at Mrs. Harmon's.

Mr. and Mrs. Bob Simons and Ricky went on a vacation last Monday evening by airplane, the ship "Dan Patch" on Prince.

We wish to congratulate Mrs. Cliff Vold on the birth of their daughter on May 30 at the Poncha maternity hospital.

Mr. and Mrs. Ben Taylor and family came from Edmonton last week and were visiting with their relatives in the district.

Mr. and Mrs. Ray Harkness and family visited the former's mother, Mrs. Orla, and their relatives in the district last week.

Mr. and Mrs. Ray Harkness and family visited the former's mother, Mrs. Orla, and their relatives in the district last week.

NO Interruption of SERVICE ... at Popow's Body Shop

We're moving within the next few weeks. Moving to our new building which will be finished as soon as it is possible. We have our plans completed, though, to provide continuous uninterrupted Auto Body Service for our many customers. There will be no long delays just because we're moving.

Wood Shipments
Dues: Scheduled For Early in July

Wood growers in the district are directed to a notice regarding the shipment of wood from the district of Westview, Red Deer, and Lacombe.

R. M. Graham, secretary-treasurer of the central Alberta wood growers' association, announced the following:

Westview, Monday, July 4
Red Deer, Tuesday, July 5
Poncha, Wednesday, July 6
Lacombe, Thursday, July 7

Advance payment price this year is 30 cents per cord, compared to 15 cents last year.

Put up PERFECTLY CANNED FRUITS and VEGETABLES THE GAS COMPANY WAY

There's a new thrill to meal planning, and a new thrill to meal making when you include your own liver-infused home-preserved fruits and vegetables in your meals. Enjoy this pleasure, in season or out, by using the methods and the recipes that the Home Service Department of Your Gas Company has found most satisfactory for the foods that are available in northern Alberta.

TRUCK ACCIDENT

John of Bonny spent one day in the hospital last week, when he was involved in a truck accident on the Bonny Highway. The truck was driven by Mr. J. A. Graham, who was also involved in the accident.

A Creditable Record

The Alberta Wheat Pool recently sent to Pool Elevator agents cheques covering patronage dividends for member elevators to Pool Elevators in the 1948-49 crop year. Member patrons have also been credited with a patronage dividend paid in Pool reserves. Ownership of the Pool rests with the reserves.

The 1948-49 year is as follows:

Cash \$ 406,000
Pool reserve \$ 813,000

Total distribution out of 1948-49 Pool Elevator earnings \$1,219,000

Long Time Record

Since Alberta Pool Elevators started business, patronage dividends have been paid to member patrons as follows:

Cash \$4,295,222.98
Reserves \$4,335,003.73
\$8,630,226.71

Reserves Situation

Between the years 1923 and 1928, Pool members contributed \$8,467,000 in cash to build and operate Alberta Pool Elevators. In recent years the Pool has been buying back such reserves from older members. The total redeemed to date is \$5,300,000. Such purchases of reserves are redistributed to current patrons of Pool Elevators in the form of patronage dividends.

100 Main St. E. Calgary, Alta. Phone 2222

JOIN CANADA'S FINEST RESERVE FORCE

HOLDERS OF THE LENARD CHIEF TROPHY

The King's Own Cavalry Regiment

(16th Armoured Regiment)

Lacombe will have the newest formation of the Regiment, forming part of "B" Squadron in conjunction with Seattle. The Lacombe detachment will be commanded by CAPTAIN MUIR CAMPBELL and CAPTAIN DON MOORE, with SGT. M.C.O.'s SET, HARRY FATEKIC and SET, CHUCK ANDERSON.

The Regiment Will Offer:

- The Canadian Army, the finest club in town.
- Commissions.
- Tanks and Wheeled Vehicles.
- Books.
- Generosity, actual firing of weapons on range.
- Pay, 3 times a year, including just before Christmas.
- Careers, near Toronto and Vancouver on the staff, Radar, Mechanics, Clerks, etc.
- Trips to Calgary, for Competitions, etc.
- Equipment, including summer and winter uniforms, tank suits, parka, etc.

Recruiting Now Open to All Men

between 17 years and 43 years of age.

Summer Camp:

- Plans, Waterlool.
- Dates, July 9 to July 29. You may go for any part of the 3 wks.
- Pay, An advance before camp, and pay at end of camp.
- Recreation. Includes Sports, Swims, Swimming pool, etc.
- Maximum Effort 3rd Week, July 22 to July 28. Operational Exercises, in cooperation with military, infantry and Air Force. — A GIANTIC scheme.

Full Information on recruiting and Summer Camp from any of the following Officers and M.C.O.'s:

(P.O. Address: All Lacombe)

- Capt. Murray Campbell, phone 348;
- Capt. Don Moore, phone 53;
- Sgt. Harry Patrick, phone 258;
- Sgt. Dick Morrison, phone 201

Accommodation has been provided in the former Central Garage Building, and will contain Odorous Room, Club Room, etc.

\$4.95

A black and white illustration of a woman standing and facing slightly to the right. She is wearing a long, sleeveless dress with a dark, intricate pattern over a lighter fabric. The dress has a fitted bodice and a full skirt. Her left hand is on her hip, and her right arm hangs by her side.

A variety of Plain Shantings, Plain Gingham and "Rub-a-Dub" Shirts are here for you to choose from. *Each* have one of these cool, summery prints to finish out the hot weather.

[illegible]

for local residents next Monday, Labor Day, when a series of auto races (Indianapolis-type speed races) will be held.

Again—the event here is the M.R.C., and proceeds will go to the memorial hall.

The races will start at the fair grounds at 2:00 p.m., and eight events are listed on the program. It will be about a 2½-hour show.

A dozen taxi and drivers on

could probably increase, if those paying admission knew they could sit in comfort despite heavy traffic.

Cousine Ferris also stated that he had obtained an excellent buy from the Atlas Lumber Co. for an aluminum roof.

Event Summary

Among other merriment last evening at the meeting was the car spending ceremony.

in reporting that police had been instructed to watch traffic carefully and make apprehensions where necessary, councilor Ed Burrows pointed out that the cooperation of the general public would be useful.

If those wanted notifications of the law were to be the ray of sunshine and notify police where users could be issued to the driver to good effect.

Police plan to make examples

Globe this week that it is hoped to have the interior of the building "completely usable" before winter sets in.

A bee was held at the hall Tuesday evening to lay flooring, and, as yet, everything that they will

be completed within the next week or so.

It is the subject of an amendment to the B.R.C. constitution for the M.B.C. borrowing powers is being discussed by the board.

Board members are of the opinion that they could borrow \$100,000 from the province at 12 1/2 percent interest.

With this money, they could complete the interior of the hall, including the necessary financing.

Plumbers and rest room facilities are being supplied.

Charles Meek health officer, outlined three points against the creation of the auction mart, in a letter to council.

1. The town is not supplied with sewage disposal or sewer supply facilities.

2. Its placement in close proximity to the hospital is undesirable, due to the potential odor, flies and noise.

3. The town will be supplying the town, has been supplied about

Council has therefore deemed a change in location advisable, and promises every assistance in the

League trophy

Heard Trade Request

A letter from the Lancaster board of trade and agriculture was read by secretary C.B. Hyndman, respectfully requesting that the sides of the south facing the curb be kept clear of dirt on both 50 (Barnett) avenue and 47 (Railway) street.

Councillor Ed Newman reported that the curbs are cleaned regularly every Monday morning. It was suggested that perhaps the fire department could assist.

their practice. The matter was left with councillor Newman.

Unpleasant Situation **Walsingham**

The town dump on the north-west end of town is still causing a headache, reported councillor Orum Young. He suggested that the fence be moved farther north and that dumping of all materials in a fire should be shifted to a central area.

There are now players in the following towns: (left to right) Gordon Garces, second base; Don Saggast, pitcher; and outfield. Stan Whitwell, outfield and catcher; Carl E. Hays, pitcher; and pitcher (playing coach) Dr. B. A. Mims, shortstop and pitcher; coach; and outfield. Green, third base and pitcher; Harold Whitwell, outfield. absent when photo was taken; Russ Garces, catcher.

Mr. and Mrs. H. O. Petersen were on a blueberry trip to Rocky

GGART MOTORS

Residents of Lacombe and district will have an opportunity this month of again seeing stars from the Theatre Under the Stars company of Vancouver when the show, "Cavalcade of Song" will appear at the United Church on Wednesday, September 27.

Last year, a similar company of Beaulieu Horstall appeared at the pavilion in "A Night in Vienna", and those who attended that showing were thrilled at the performance of the artists.

Heatherbrook stock farm, east of Lacrosse, will be sold at a public auction.

A bag catalogue, giving history of the pedigree, is being printed by The Globe office and will be ready for distribution shortly. There are 76 lots, but some of them will be sold with calf at foot to bring the total to 114.

Hayes Limited of Calgary are sales managers. The two Dealers of Bentley, Clarence and Dick, and Jack Dermo of Calgary are

second request is being made next week to the provincial government to have the ditches beside the Lacombe-Stettler area seeded to grass. The request comes from the agricultural advisory board of Lacombe which held meeting last Friday in the M.D. office.

At the same time the board

Own Calgary Regiment will take place in the town office basement rooming room next Tuesday, September 18.

All ranks are asked to be notified, and attend this parade. Officers commanding are willing accept new recruits on roll, and those wishing to come will be welcome.

Evelyn Heath

Receives \$300

As it happens, the southern section of the district of the primary line separating the "Edmonton" from the "southern" diamonds must be careful when they shoot and when Hunt season in the southern district does not open until September 23.

The Edmonton district is described as that portion lying north of the "centre line of high water" Na 12 through Coronation and Settler, to the point of inter-

Miss Beal Kerr and Harold Alfke were the winners of the successful mixed two-ball four-ball tournament played at the LaCombe golf course Sunday.

It was a good day, and almost all games drawn were played, so that everyone had a fine outing as the season's end nears.

Consolation prizes went to Mrs. Frank Adamson and Gerry [redacted]

Sandwiches, coffee and cake

Serve was awarded to tract LaCombe Plumber authorized to proceed with plumbing repairs at obtained liability for the system for the rink.

Accident Sunday

Secretary C. B. Hynd reported an accident on a road street Sunday. A resident, [redacted] Ullrich, was struck by an automobile. She a broken hip in the fall.

Grant Patrick, Donald Iverson, and John B. Smith. The committee also has the support of the city's largest and oldest fraternal organization, the Elks Lodge 1244, which has a large cemetery with a large number of graves that have been damaged by the committee's dig over the past few weeks.

Committee chairman James W. Bostick has urged alterations to the by-laws to give the committee the legal right to dig on graves with no legal claim to the land. He has also requested that the city acquire the cemetery and request that the city acquire the cemetery and request that the city acquire the cemetery.

He said that a good piece of the cemetery is being dug up, and that the city is not doing anything to protect the graves. He said that the city is not doing anything to protect the graves.

There is open season on ducks and geese, and on coots and rails (other than Ross's geese), and on rails and coots between September 10 and November 9 in the Edmonton zone. For Wilson's snipe, the dates are September 10 to October 15 only.

Bag limits are stipulated as follows: in any day, ducks & geese & coots and rails 10; Wilson's snipe 8; and in any open season, ducks 46, geese 18, rails and coots 80, Wilson's snipe 80.

Open and closed seasons. The open season for ducks and geese on the roof of the tower often is terminated and must be renewed.

Property in the west. Lawrence has been loaned to John McDonald, who is to act as part of the Nurseries.

Councillor Burrows that Garfield Ogilvie decided temporarily to leave the building and to hire a new building.

Roadside Seeding Aids in Fight Against Weeds

By Jim Sebastian

Lacombe Field Supervisor Very satisfactory results have been obtained with the service here's program of seeding roads to a green-lupine station, for the control of weeds and weed growth.

Observations made the first year of seeding reveal that there is still some small plant growth. However, the full benefits of this undertaking are not realized until the second and following years, at which time sufficient growth is evident for a cutting of hay. Then, the seed planting program builds a two-fold purpose: it brings revenue through a growth of hay, and controls weeds and weed infestation.

The two points mentioned are sufficient to warrant this seeding however, another point of general interest is the least expense of a road allowance, seeded with a green growth of grass and soft lupines.

It is only natural that seed will germinate and grow more readily if a prepared seed bed. Wherever possible, this has been done through the effects and there were not easily available.

The results are in particular evidence on the north side of the main road, a few miles east of Bentley. This area conditions will prevail another year on the main road to Ties, directly west of Bentley.

It is regrettable that more heavy machinery to more grades have not shown the same interest in the advantages of this project.

On the other hand, there are other farmers who have not only shown interest in the seeding of roadsides, but have also made plans for a similar job of road adjacent to their roads.

The need for this latter project is becoming more to evidence from year to year and will not only serve to control weed growth, but will also serve to benefit our countryside.

IT PAYS TO ADVERTISE
IN THE GLOBE

Spray Lakes Plant Expected To Be In Operation Next Month

(Continued from Page Three)

and heavy equipment. The undertaking itself cost more than one million dollars.

We traveled to two big Greyhound buses which seemed to accompany the service of the road, and it made the about 100-foot mountain side all the more perilous.

Without trying to be too technical (unless my limited knowledge couldn't handle it), the dam is built through the middle of the Spray River and is the beginning of a mammoth project.

From here, the water flows into a large artificial (man-made) lake. The finished area covers some 4,000 acres, (which 3,000 was needed. It was necessary to remove trees, and a great many small brush cutters and other devices were employed on the clearing.

The first head or dam to use the term's language) is 90 feet, which generates 3,000 h.p. The Three Sisters' about 100 feet, which generates 1,000 h.p. The water flows on from here, in step with the rapid growth and development of Alberta.

made canals, to the Spray plant here, the drop or head is 700 feet, enough to give 62,000 h.p.

The spilled water is discharged from here to the Spray plant, the 12,000 h.p. Roadside plant (head of 100 feet) which won't be completed until about the fall of 1951.

This is the story in a nutshell, although it does not take into account the hundreds of feet of tunnel bored through the middle of mountains to divert the water to the algarrobo dam.

A mountain has been moved to make the power project possible, and the power project possible.

Calgary Power officials believe sufficient power will be generated with the new development to satisfy the needs of the province for at least two or three years, including the anticipated industrial expansion.

The Spray Lakes power project is a tribute to the leadership of Calgary Power Ltd., in keeping the step with the rapid growth and development of Alberta.

British P.M.'s Daughter on Vacation

Daughter of British prime minister Clement Attlee, Miss Felicity Ann Athine waits to be taken for a trip off the coast of Lacombe, small town on the Lacombe River in Italy. Miss Athine is on holiday at Lacombe, as guest of the Italian industrialist, Enrico Silvestri.

Rising Affects Business Houses in Fire Zone

Fire By-Law Protects Citizens

Citizens are not generally familiar with one important statute on the books of the Town of Lacombe, concerning fire regulations.

The by-law is one of those common-sense laws which protect merchants and their business buildings in the event of a fire outbreak by requiring that all construction be fire-resistant or fire-retarded.

On the other hand, in a business block, the chance of fire is increased, and getting whole downtown sections are maintained.

The so-called fire zone where the by-law applies, covers the heart of Lacombe but is not limited.

Explain Three Swine Projects At Field Day

There are three main swine breeding projects currently at Lacombe. The first is an experimental station, (Chief Executive, Jack Smith) which more than 100 swine breeders at a field day here earlier this month.

There was a good attendance of district farmers, perhaps due to the poor harvest weather which kept them away from the fields.

The three main swine projects are: 1. A swine breeding project, 2. A swine breeding project, and 3. A swine breeding project.

Mr. Smith received the group of swine breeders at the Lacombe station, where some 700 swine are kept for experimental purposes.

George E. DeLong, supervisor of the farm, welcomed the guests and supplemented Mr. Smith's address with a short review of the station's swine history.

Outside Speakers Guest speakers included Frank Baker of Winnipeg, of the industrial and development council of Canadian meat packers, and also Charles of the provincial department of agriculture, Edmonton.

Mr. Baker stressed the importance of maintaining our British swine-breeding, in the face of a growing American market. Although there has been no purchase contract signed for next year, British swine breeders will have our best customer and should remain so.

Mr. Charles gave an interesting illustrated talk, with slides, of swine growing problems and how labor saving devices are being developed.

One of the swine must be kept within two feet of a fence, and a second, all swine must be placed in a proper fire-proof building.

Local Donations In Excess of \$300

Last donations to the blind fund were turned in here last week in the amount of \$73.50, bringing the grand total to just over \$300.

This is a most predictable show-up and reflects a generous spirit of Lumbini citizens to a good cause, as well as on the organization's part in soliciting funds for the Lumbini Chapter, I.O.D.E.

Mrs Frank Adamson, convenor reports that about \$275 was collected by I.O.D.E. volunteers, and this together with the \$45.00 sent subscribed over The Globe newspaper brings in a handsome sum for the fund. The blind fund is the oldest.

The campaign was in session for three weeks.

Gratefully acknowledged attention and work from J and K. S. Bowser, \$2.00, and A. J. Kibben, \$5.00.

The permanent Board of Public Utilities of the United States was set up in 1935, as a consequence of the Federal Energy Regulatory Commission's decision in the case of the Federal Electric Power Commission. The Commission was established to regulate the electric power industry. The Commission was established to regulate the electric power industry. The Commission was established to regulate the electric power industry.

License Fee For Chimney Sweep \$20 Per Day

LEWIS D. LINDSEY, who has been cleaning and repairing chimneys in Lacumbur for the past week or two, applied for a license at the town council meeting Monday night.

Council was of the opinion the village transient trader was selling goods, and was therefore liable for the regular license of \$20.00 per day, as set out by the ordinance.

Regarding the Tuesday night sale at Gordon Bush's, the council felt it was unnecessary that a hawk occurred in the water main, reducing the water pressure when it was needed most. (Chicago Power officials said

Special Article from the Dominion Experimental Station

What's New in Livestock Breeding

By J. G. Buehler
Animal Husbandman

Livestock is important to central Alberta. Not only does it furnish a profit but it contributes materially to the development and maintenance of the province. It is an essential part of the rural economy and has become more and more important as the demand for meat and animal products increases with the growing world population.

The origin and development of the present day livestock industry is a fascinating story. It is the story of a few men who, in the early days of settlement, began to raise livestock. They were the pioneers who brought the livestock industry to the present day. They were the men who developed the various breeds of livestock that we have today. They were the men who taught us how to raise livestock properly. They were the men who made livestock raising a profitable business.

In some cases it was a few individuals who made a name for themselves. In other cases it was a few families who became famous. In still other cases it was a few men who became famous. In all cases, however, it was the result of hard work and determination. It was the result of a desire to improve the livestock industry. It was the result of a desire to make livestock raising a profitable business.

More information is being developed in the future. The development of the livestock industry is a continuous process. It is a process that will continue for many years to come. It is a process that will result in the development of new breeds of livestock. It is a process that will result in the development of new methods of raising livestock. It is a process that will result in the development of new products from livestock.

Animal breeding will become more important in the future. The livestock industry will continue to grow. It will continue to be a profitable business. It will continue to be an essential part of the rural economy. It will continue to be a source of pride for the people of central Alberta.

Present Day Drivers

It is high time that the provincial government took a long look at Alberta's rapidly increasing highway accident toll.

This government, during the past four years, has not only failed to take any real road-building program in Canada. While other parts of the country have been able to build new highways, the province has been unable to build new highways.

It is a sad fact that the driving ability of Albertans has not improved in the same extent as the highways. But not only have the highways not improved, but the driving ability of Albertans has not improved in the same extent as the highways.

Deconstruction of Industry

We were glad to see the Canadian Chamber of Commerce in a resolution to the annual meeting recently in favor of "deconstruction of industry."

This responsible organization is not the only one to be present at the C.C.M. Skates and the Chamber of Commerce in a resolution to the annual meeting recently in favor of "deconstruction of industry."

The traffic and parking problem, a "bureaucratic" in a place like Lacombe, is very real and serious to larger centers. The creation of business living many employees away from the cities and into small towns is a new reality.

Growing Notes

Fronted Flax

The Honorable D. A. Ure, Minister of Agriculture, advised recently that there seems to be some misunderstanding regarding the formation of the Prairie Provinces Flax Council.

It is a fact that the flax industry is a very important one in the Prairie Provinces. The flax industry is a very important one in the Prairie Provinces. The flax industry is a very important one in the Prairie Provinces.

The flax industry is a very important one in the Prairie Provinces. The flax industry is a very important one in the Prairie Provinces. The flax industry is a very important one in the Prairie Provinces.

To the Editor

As we all know, there is a

problem of parking spaces

in the city of Lacombe

and it is a problem that

is becoming more and more

serious each year.

It is a problem that

is becoming more and more

serious each year.

It is a problem that

is becoming more and more

serious each year.

It is a problem that

is becoming more and more

serious each year.

It is a problem that

Mr. Peabody
and the end
of the rainbow

• You could have knocked Mr. Peabody over with a feather.

For there, right at the window I have seen rain, come
rainbow. And at the end of it was a huge pot of gold!

An honest man's virtues if it was real, I thought
of him. "It will be good," he said, "if you had
Mr. Peabody." "By the bells are ringing!" And the
sound of the bell came louder . . . louder THUNDER

Mr. Peabody . . . with a start. The answer was beside
his bed was . . . RINGING. Scuffling in
the night - a sound as if a door were being
opened.

Listening to the rain as he ate his breakfast, Mr. Peabody
knew somebody say that old-age benefits should provide every
body with enough to retire on.

"Hannah!" shouted Mr. Peabody to himself. "More rain!
I like the idea of additional help for older people. But
how? I want to see what I can do about it."

"Even without pot of gold, it's a pretty good world," he said to himself. And as he worked, he began to whistle softly.

...easily, speedily with new Fast DRY Yeast!

● New bread and bun crusts are a treat to make with the new form of Fleischmann's Yeast! Never a worry about yeast cakes that stale and lose strength... new

CHEESEBREAD

● Soak 3 c. milk, 3 c. granulated sugar, 1½ tbs. salt and 4 tbs. shortening; cool to lukewarm. Meanwhile, measure into a large bowl ¾ c. lukewarm water, 1 tsp.

stiff bread flour, 1/2 c. bread or lightly-floured hardtack (omit salt), and elastic. Place in greased bowl and grease top of dough. Cover and let rise until doubled in bulk.

relope Fleischmann's Royal Fast Rising Yeast. Let stand 10 minutes. THEN stir.

Sift 1 cup of sifted milk flour, beat in a 4-cup sifted heated butter, with a rotary beater until the batter is smooth. Cover and set in a warm place, free from drafts. Let rise 1 hour in a bowl. Work in 2 c. lightly-packed finely-shredded old cheese and 3 c. (about) once-again equal portions. Cover tightly with a cloth and let rest 1 hour. Divide each portion of dough into 3 parts; knead and shape into smooth balls. Place 3 balls in each of 4 greased loaf pans (4½" x 9½"). Grease top and spritz each loaf with oil; cover. Bake in a moderate oven, 375° or 400° F. until doubled in bulk. Bake in moderately hot oven, 375°, 45 to 50 minutes.

An Editorial News Feature Meet Your Correspondent

"Unbiased and unswayed" is a policy phrase which might well apply to the Globe's editorial team.

They do a magnificent job in reporting a wide range of news from the newspaper's readers with their own eyes and ears and the work they do that we are pleased to present this series of articles.

MRS. CLARENCE BAUER
Lacombe - Calgary

Reflections of The Times

Support For Churches

It is no secret that churches throughout Canada are finding it increasingly difficult to meet current expenses.

For too many members of various congregations assume that churches are not subject to the cold realities of economics, and many other churches have formed the erroneous opinion that plans of working are maintained for the most part, by wealthy donors who prefer to remain anonymous. While it is true that many large churches in the cities have benefited from the generous contributions of wealthy members of the congregation, and also as the result of bequests made by those who have passed on, the fact remains that the bulk of the current expenses must be met from the contributions of those who attend.

It is also worthy of note that many small groups of people have become more than their own strength by accepting salaries which have not been increased sufficiently to meet current living costs.

While the value of church services cannot be measured in dollars and cents in the same manner as most paid professions, it would appear that those who attend these institutions - even those who never attend - should realize that their services are a part of a larger whole which makes the community of the world as we know it. It is the duty of each of us to contribute to the support of those who provide us with the spiritual and moral guidance which is so essential to the well-being of our society.

Every individual in the community owes a debt of gratitude for the work of our churches, and that debt could well be repaid by an increase in individual contributions.

CANADA PRODUCES NEWSPRINT FOR ALL THE WORLD

It is likelihood, the newspaper you read is printed on Canadian newsprint; for Canada produces 11 times as much newsprint as any other country in the world. 3 out of every 5 newspaper pages throughout the world use Canadian paper.

Why Seagram's sells Canada first

This is an adaptation of one of a series of advertisements designed by The House of Seagram to promote the prestige of Canada and help sell Canadian products to the markets of the world.

The campaign is appearing in magazines and newspapers published in various languages and circulated throughout the world. The people of many lands are told about the quality of Canadian products and are Canadian sources illustrating their products.

The advertisements are in keeping with the belief of The House of Seagram that the future of every business enterprise in Canada is inextricably bound up in the future of Canada itself, and that it is the interest of every Canadian manufacturer to help the sale of all Canadian products in foreign markets.

A campaign such as this not only helps Canadian industries but also pays money in the pocket of every Canadian citizen.

One dollar of every three we earn comes to us as a result of foreign trade. The more our goods and services we export, the more prosperous we will be at home.

It is with this objective that these advertisements are being produced and published throughout the world.

Board Trade Banquet on February 12

Lacombe board of trade and agriculture will again sponsor a banquet prior to the annual meeting of ratepayers of the town of Lacombe, to be held at the Church hall on February 12. This was definitely decided at the regular monthly meeting of the board in the Lacombe Hotel last Thursday.

There was an exceedingly good turnout and a successful, happy

Adamson aired the opinion of the meeting as to whether or not those monthly meetings should be called off. It was unanimously decided to continue with them.

Up for discussion were the question of "stop-and-go" lights at the highway intersection in La Combe, speed patrolling the north-south highway through town, "no parking" signs in downtown areas.

Time at the meeting was curtailed due to the hockey game that same evening.

Five New Members

Join Lacombe Lions At Meeting Monday

Five new members were initiated into the local Lions club at their regular meeting held in the Lacombe Hotel Monday evening.

Welcomed into club membership were Lloyd Wallace, Bill Allison, Albert Bruns, Cecil Taylor and Jim Miles. In charge of the short installation charge was past-president Gordon Sweet.

show committee, reported that all arrangements had been completed to hold the "Ice-Capades" show here at the arena in the latter part of February.

President Don McFadden occupied the chair at the meeting.

—

**Bentley Farmer, Henry
Andrew Castleman,
Dies at 68 Years**

Henry Andrew Castleman, 61-year-old pioneer of the Bentley district, passed away at the Bentley hospital last Friday after lengthy illness.

Funeral services for the popular old-timer were held from the community hall at Bentley on Monday, with Rev H B Thackeray officiating.

Active pallbearers were Low Craig, Dick Cox, John Ingram, Mattie Smith, and Fred

Interment was made at the Bentley cemetery with the usual services.

Born at Clarion, Iowa, on September 14, 1888, the late Mr. C. H. Heman came to Canada and settled in central Alberta as a boy in the year 1902.

For many years, he has been successful in the Outlet district. He was a member of the Outlet school board for 12 years.

Besides his wife, he leaves seven children: one daughter, Mrs. J. W. Wake of Pine Lake, and one son, Donald at home.

lives at Oakland, Calif. four brothers, D. A. of Calgary, W. A. of Oakland, L. A. of Bremerton, Wash., and Jesse of Clatskanie, Ore. and three sisters, Mrs. Bessie L. Warden and Mrs. G. Brown Chondale, and Mrs. A. J. Brown.

REPLACES MacMILLAN
Garden, Tokyo, M.I.A.

Drumheller, has been appointed to the provincial government cabinet as acting minister of public works. The appointment of Taylor was necessitated by the resignation of the minister of public works, Mr. J. H. McLeod.

Hoopsters From Lacombe, Red Deer Split Pair of Games

Red Deer - Lacombe boys and girls divided a doubleheader last night when they met at Red Deer on Friday, January 13. The Red Deer girls took a 30-24 decision, while the Lacombe boys were winners 31-23.

Red Deer's girls were off to a fast start, scoring 11 points in the first quarter. Lacombe's girls, however, were slow to get going, but they came back in the second quarter to tie the game at 11-11. In the third quarter, Lacombe's girls took a 20-11 lead, but Red Deer's girls came back in the fourth quarter to tie the game at 20-20. In the final quarter, Lacombe's girls won 31-23.

By-Law No. D-48

WHEREAS it is considered to be desirable and necessary that the Town of Lacombe, aforesaid, borrow for the above mentioned purposes the sum of \$20,000.00 to be paid in the manner hereinafter set forth

AND WHEREAS it is expedient that the said proposed indebtedness be made repayable during the period of twenty years, from the date upon which this enactment takes effect and bear interest at the rate of 4% per annum and that the said principal sum along with interest thereon at the rate aforesaid be made repayable in twenty equal aggregate yearly

AND WHEREAS the amount of the whole rateable property in the said Municipality according to the last revise assessment roll thereof is \$2,513,420.00.

AND WHEREAS the total amount of the existing debt of the said Municipality outside the debt due for the current expense for the year 1961 is \$77,853.52, none of which said indebtedness is in arrears.

AND WHEREAS it is expedient that this enactment come into force and take effect on the day of the date of the passing of this by-law and that the whole of the obligations to be issued for the repayment of the aforesaid debt of \$20,000.00 be dated as of the day when this enactment takes effect as aforesaid.

NOW THEREFORE the Municipal Council of the Town of Lacombe, in open Council assembled, enacts as follows: that it is to say:

1. THAT it shall and may be lawful for the Mayor and Secretary-Treasurer of the said Town of Lacombe, in the said Province of Alberta, to borrow on behalf of and on the credit of the said Municipality of the Town of Lacombe, the sum of \$20,000.00 and to issue a debenture of the said Municipality for the aforesaid sum, the whole of which shall be appropriated for the above named purpose and no other.
2. THAT the said sum shall be expended to meet the cost of erecting, completing and equipping a Skating Rink and Hockey Arena in the Town of Lacombe to be known as 'The

3. The aforesaid debt of \$20,000.00 along with interest thereon at the rate of 4% per annum shall be payable in twenty equal aggregate yearly instalments of \$1,671.63 each commencing on the 1st day of January 1934. At the time of the taking effect of the first of such said instalments of principal and interest shall become due in one year from the aforesaid date and the last of such said instalments of principal and interest shall become due and payable in twenty years from the aforesaid date, and the said debenture shall have composition attached thereto for the payment of the said principal and interest at the place and in the manner which shall be payable as aforesaid at the Bank of Montreal at the said Town of Lacombe.

Read a first time this 20th day of January, 1901.

Record after record is being broken by the Silver Streak Pontiac!

More Canadians have bought Pontiacs during the past year than ever before! And, right here in our own district Pontiac outsold all the respective makes of competitive manufacturers in 1950!

This is conclusive evidence of the customer satisfaction, reputation and popularity that have combined to make Pontiac the public's overwhelming choice.

There are many reasons, of course, for Pontiac's

are series and models to satisfy every purse and purpose... the six-cylinder motor as well as the famous eight... the synchro-mesh transmission or the latest of fully-automatic drives

these fine features in a car that is a triumph of dandy-styled
silt with all of Pontiac's traditional integrity of engineering.
s record-breaking popularity is new proof that Canadian
recognize the solid, honest values that *only* Pontiac offers and
of the goodwill, pride and loyalty that is so characteristic

The speakers are scheduled to be at the meeting at 7:30 p.m. on Wednesday, October 10, at the University of Illinois at Urbana-Champaign.

Kinsmen Drop Bingo Plans When Caffe Premises Leased

Kinsmen's plan to sponsor regular bingo parties at the leased premises of the Public House which were to be used had been taken over by an outside group.

There was a spirited discussion at the regular meeting of the Lacombe Hotel last Friday night at which the Kinsmen's plan to sponsor regular bingo parties at the leased premises of the Public House which were to be used had been taken over by an outside group.

Lincoln district 1825 to 1829. He died at his home at Leavenworth on Feb. 12, 1872, and was re-interred here in 1895. He was 50 years old.

The funeral was held Friday afternoon at 2 o'clock at the home made at the Mountain View cemetery in Leithside.

His wife, Mrs. Mary Ann, will be well remembered by those residing in the district in the late 40s.

His brother, Fred of Leavenworth, a nephew, Geoffrey, who is date for Friday, the thirteenth, and "hard-kick" will be the sons chosen, both attending the funeral.

Sale Goes to Cattleman at Tees

Honor of obtaining the highest price for a Shorthorn, Edmon- ton spring show and sale last week went to a well-known district cattleman, R. Polkbridge of Tees.

Received \$430 for a Shorthorn. Among local farmers who purchased bulls were Ben Cook of Tees, who paid \$430 for a Shorthorn; A. W. Polkbridge of Tees, who paid \$700 for a Blo-

for his grand champion Shorthorn bull, Newman's Victor, which was purchased by A. Dieke of Cambridge, Mass., for \$1,000. Newman paid \$1,975 for a Shorthorn; C. Lyle Bros., of Blackfalds, who paid \$875 and \$600 respectively for the

Nest high in the Shorthorn class was \$1 450 paid by W. Laing of Gulliver, Sask., for a purebred consigned by W. L. Robinson of Vermilion.

On the whole, prices were lower than those received at Calgary. A total of 10 Angus bulls averaged \$410 each. 132 Shorthorns brought \$541 apiece, and 80 Herefords averaged \$311.

Local cattlemen were active in both the selling and purchasing ends. Included in the list were: A. Hrusa of Lacombe, who sold a Hereford female to Nelson Letts

horn bull to Dominion Production Service for \$550. R Pethybridge of Tees, whose above-mentioned Shorthorn brought \$1,650, and another Shorthorn.

was completed, that the supply of blood donated had been served in transfusions. This points

Provincial government has banned heavy traffic on highway 12, from Lacombe to Sietler, and Lacombe to Bentley and Breton

Village of Blackfalds

Notice is hereby given that under the provisions of the Recovery Act, the Village of Blackbalds will offer for sale by public auction in the Village Office at Blackbalds on Tuesday, April 1, 1981, at the hour of 10 30 o'clock in the forenoon.

Flat on one's face

Industrial know-how is said to be their greatest help. But it is not enough to know how to do a job. Doing it is what counts. Between knowing and doing there are usually a surprising number of opportunities for falling flat on one's face.

The textile industry in Canada, of which Dominion Textile is a part, has been practicing for over a century to avoid falling flat on its face. While learning its job and doing it, the industry has become the largest employer of manufacturing labor in Canada and the producer of the largest manufacturing wage bill.

Wild Out Problem Discussed at Lacombe Dominion Experimental Farm

The Lacombe Dominion Experimental Farm has held a seminar on the "Wild Out Problem" which was attended by a number of local farmers and ranchers. The seminar was held in the farm's auditorium and was presented by a number of Dominion experts. The topics discussed included the causes of wild out problems, the damage they can cause, and the methods for preventing them. The seminar was very informative and was well attended.

family. Her Dad is a patient in the University hospital.

Mr. and Mrs. L. Sam and family took in the air show at Penhold were Wednesday evening visitors Sunday afternoon.

figure 1 or measure:

Hydraulic Traction System— automatically increases weight on drive wheels as the load increases. Makes possible more actual drive wheel pull.

Two-Clutch Power Control— allows the driver to shift into low gear without interrupting power flow to the power take-off.

Power Shift Wheel Spacing— instantly adjusts track width to match wheel spacing.

Step in place and see the WD with its new three-bottom design— now used with engine power.

Wash Oil and Wash Water—
— Spray System — GMC

G. L. HARRIS, Manager

He's so obliging!

YOU EXPECT the men and women in your local bank to be skilled, courteous, interested in their work and in you.

They are. Because they find satisfaction in meeting the steady stream of banking you require, rendering the variety of services you expect in a chartered bank.

And there is always the drive of competition. Manager, accountant, teller, junior — they all know that if you are not satisfied at your present bank you will go to another.

You can count on alert and friendly service from the men and women who look after your banking needs.

One of a series

SEAGRAM

DEBORAH

from Calvary on March 19, and the "active" Oldtimer, who was 86, was better received this week. The visitor reports a number of friends in Holland this week, and he will continue to visit actively on good footing, especially on the subject of his mother and relatives. He will be in his home on May 7, April 18, to arrive here about next week.

The guest of honor received many lovely and useful gifts, which she expressed her appreciation.

Novelty games were played and a lunch followed. Mrs. M. Layden and Miss Flora Hallman acted as co-hostesses.

Over 600 Books Now Available

Bentley Takes Lovable Step in Establishing Library a Year Ago

(By Mrs. H. Decker, Lacombe)

THE BENTLEY LIBRARY was started a little over a year ago by a group of people who realized the need of a library in Bentley.

From a small beginning, we have a good library of about 100 books. We get several boxes of books frequently from the Lacombe branch.

We extend to all readers a special invitation to visit our library on Monday from 1:30 to 3:30, or Thursdays from 1:30 to 4:30. The library would appreciate the opportunity of showing the book to the children and adults are most

Let VEL do your Dishes

VEL is the only dish soap that cleans every dish, even the most stubborn. It's the only one that leaves no film, no streaks, no spots. It's the only one that's safe for your hands and your dishes. VEL is the only one that's been used by millions of housewives for years. VEL is the only one that's been recommended by the National Sanitation Foundation. VEL is the only one that's been used by the U.S. Navy. VEL is the only one that's been used by the U.S. Army. VEL is the only one that's been used by the U.S. Air Force. VEL is the only one that's been used by the U.S. Coast Guard. VEL is the only one that's been used by the U.S. Marine Corps. VEL is the only one that's been used by the U.S. Navy. Decrease of Three Mills From 1950

Set M. D. of Lacombe Mill Rate at 23 Mills

The Lacombe M.D. raised the mill rate of 26 mills to 23 mills.

The budget calls for a surplus of \$72,876, but this is false (figure) would become reality only if:

- all federal aid was received

As usual, there is a complete disregard for the facts. Doctors and hospital are making it difficult for the taxpayer to figure out his own mill rate and tax.

Most of these requests are no more than last year's, and some like the Lacombe municipal hospital show a slight decrease.

Here are the requests for mill rates for schools, colleges and mill rates for police and fire:

[illegible]

Marine District	25	\$ 5,986.60	was taken from Miller's and damaged, but no other casualties were <u>injured</u> .
St. Lawrence	23 1/2	\$ 5,383.25	
Silver Lake	18	\$ 4,712.34	
Hospitals			
Red Deer	7	\$ 8,288.29	INSPECT CADET CORPS
Edmonton	3 1/4	\$ 7,988	Medical cadet corps members from the Canadian University College were inspected Wednesday afternoon by church officials from Chatham, Ont. The unit was under command of Lt. Earl G. Hutcheon.
Bentley	8 1/4	\$ 12,243.05	
Hammer	9 1/4	\$ 10,400	
Calgary	8 1/4	\$ 13,366.77	
Winnipeg	4 1/4	\$ 3,586.77	

In addition, a blanket survey of 147 mills will apply to the pulp mills for the Lacuminé M.D.'s.

of the Three-Way convalescent hospital at Ramsey.

The towns a farmer will pay this town will vary according to the district in which he lives.

A resident within the Lacombe school division, for example, will be levied 23 mills municipal tax, 28 mills school tax, 6 1/2 mills hospital tax, and 1 mill Three-Way hospital tax, or a total of 63 mills.

Bill Ritson is
Elected to Head
Lions For 1951-52

Bill Ritson was Lacombe Lions club president of the Lacombe Lions club, at elections held at the regular meeting in the Lacombe Hotel on Monday evening. A full slate of officers was elected as follows:

President, Bill Ritson;

he similarly indicated by all categories totaling the mill rates applicable in their area.

submarine, here during prior to the attack. It made its last sighting in the Naval Academy Bay. It was reported in the mud on the sea bed, but after weak signals helped narrow the search nothing more was heard. Ships of the British and U. S. ships cruised frantically on the surface trying to locate the sub and save 33 crew members trapped aboard. The best salvage equipment was rushed to the scene in a race against time, without success.

He wants to get married -
-she does too!

YOU HAVE PLANS that are important, too. The things you want
most, the worthwhile things, have to be planned for, saved for.

That's not easy, these days. But here are two suggestions that may
help you to make your own particular dream.

First, decide what you want most, how much it will cost, and open a
special savings account at The Royal Bank of Canada for that one
particular purpose... then save for it.

Second, use the Royal Bank Budget Book to keep yourself on
your toes, and to avoid careless spending. The budget book does
not suggest how you should spend your money. It does
provide you with a simple system to help you.

PLAN YOUR BUDGET TO SUIT YOURSELF
You can get a copy at any branch. Ask for one.

Another Stanley Cup!

in 1957.

Four-Team Circuit in Summer Play
Opening Games in Aspen Beach
Softball League This Sunday

Aspen Beach softball league
schedule has been drawn up, and
another good season of ball is an-
ticipated with the same four
teams in last year's lineup.
Morningside, Gull Lake, and Pon-
ka. The Lacombe Hotel trophy
will again be the prize for the
league championship.

The home site for July games
will not be decided until the po-
sition of the teams is decided for
the first two months. The top
team at the end of June will have
home games, the second will
have two, the third one, and the
bottom team none.

Here is the schedule (clip and
retail for reference):

Team	Home	Away
Morningside	July 1	July 15
Gull Lake	July 8	July 22
Ponka	July 15	July 29
Lacombe	July 22	August 5

Will Hold Big May 24 Sports Day

There will be hundreds of Lacombe school district students and parents who will enjoy a happy day's outing of sports at the fair grounds here next May 24.

The Lacombe Canadian Legion has lined up a schedule of sports activities to please young and old alike. There will be a variety of games for the children, and the "Big" and "Little" games for the adults.

The Legion is anxious to make this a real children's and family day, so plans to bring a basket lunch to eat at leisure at the pre-arranged picnic ground.

There will be midway attractions, a fireworks display in the evening, and a dance in the pavilion to round out the day.

Oil Makes a Country Strong

Our oil makes a country strong. It is the lifeblood of our economy. It is the power that drives our cars, our ships, and our industry. It is the energy that fuels our progress.

THE ROYAL BANK OF CANADA

Let your Canada oil industry stepped up its production of crude oil to
less than a billion gallons, an increase of 25 per cent above 1950.

Increased oil production is a step toward self-sufficiency in oil and
With oil increasingly important to our daily life in peace or war, any
improvement in security of supply means new security for Canada and
for all of us.

Today only eight countries in the world are known to have larger oil
reserves than Canada. And production this year is expected to meet
about one-third of our needs.

Every barrel of this "home grown" crude means our dependence on
other countries and brings us a step closer to self-sufficiency in oil.

With oil increasingly important to our daily life in peace or war, any
improvement in security of supply means new security for Canada and
for all of us.

Canada's newest major industry gives promise of becoming one of our
great ones.

About Canada's Oil

Oil now provides for one-quarter of Canada's total energy requirements.

Old Magazine Found in District Home

Winton Auto of 1903 Vintage

Could Really "Go Like the Wind"

"Could Like the Wind" would be the manufacturer's of the 1903 Winton automobile. It is a full-page advertisement featured in a 1903 edition of the *Motor* magazine. The old magazine was brought to the Globe office by George Duffly, who found it preserved and in wonderfully good condition. The old *Motor* magazine, No. 10, is a volume number of Lacombe, near Lacombe.

As the like that and many others, the "Motor" magazine is a must for any motorist who makes a habit of reading it. The magazine is a must for any motorist who makes a habit of reading it. The magazine is a must for any motorist who makes a habit of reading it.

Even in the New York press for the motorist, the real estate of the motorist is a must for any motorist who makes a habit of reading it. The magazine is a must for any motorist who makes a habit of reading it. The magazine is a must for any motorist who makes a habit of reading it.

Minimum Man In Auto Accident
Within Town Limits

Charles V. Barry of Edmonton was admitted to the Lacombe hospital on Wednesday of last week suffering from chest injuries, following an accident on the highway within the town limits.

R.C.M.P. at Red Deer who investigated reported that Barry was travelling south when the 1950 half-ton truck he was driving overturned on the east ditch. This was the result of a sudden change of direction by the truck.

Damage to the truck amounted to about \$100. Mr. Barry was taken to the hospital and later to Edmonton.

The group has been working on the homes for several years, and have been making improvements in the local V.L.A. homes. The group has been working on the homes for several years, and have been making improvements in the local V.L.A. homes. Lacombe Youth, Raymond Reiter Loses Fingers

Raymond Reiter, nine-year-old son of Mr. and Mrs. Frank Reiter, lost three fingers of his left hand Tuesday of last week, following an accident.

The young boy was helped out with the farm where at their farm seven miles east of Lacombe, his fingers became entangled in the pump area while he was working in the yard.

He was brought to the Lacombe hospital, and the three fingers were removed on the same day.

The group has been working on the homes for several years, and have been making improvements in the local V.L.A. homes. Second Joint

One bright note to the sad incident was the effort of some of the Lacombe school playmates to make his stay at the hospital as pleasant as possible. They mailed their fathers and mothers for some small change which they pooled together to buy Raymond a new basket of fruit.

The group has been working on the homes for several years, and have been making improvements in the local V.L.A. homes. LACOMBE HOTEL

"I'm just going to the bank, Ann"

She's soon be back - her cheque cashed, her deposit made, her bank book written up.

Mrs. Johnson's is one of the 3,200,000 new bank accounts opened during the past ten years. Like most people nowadays, she relies on her bank to safeguard her money; she expects her bank book to show how she stands; she finds bank cheques convenient to pay larger bills.

The chartered banks appreciate - and depend on - the confidence of depositors like Mrs. Johnson. For the money which Canadians keep in 8,000,000 bank accounts provides the funds for bank lending. Safeguarding these funds is the banker's first concern.

One of a series by your bank

althy: happy childhood

And, happy childhood

Even before your baby takes his first steps there are delicious, digestible foods available that are safe for babies and serving to his tender, but growing, muscles. By 18 months, your little one should have 10 different purees, soups, meats, fruits and vegetables. If you're not sure you're doing it right, ask your pediatrician for recommendations.

STEP 1—Within the first three months of your baby's life, your doctor will recommend a variety of powdered cereals. Most often, a baby cereal, infant cereal and cream cereal.

STEP 2—Now after, it is customary to add some of the 10 varieties of babies' fortified baby foods, such as applesauce, bananas, peaches, pears, etc.

STEP 3—For babies up through eight months there is another choice. Not at 18 months, however, a wide variety of steamed (broiled) meats—compe-

STEP 4—You can hardly say "protein" before these little ones can eat eggs and beef, and chicken.

There is nothing they have better than 10 months of your baby's diet. They are eating the same things that you eat. You can feed your baby the same things that you eat. Cream of Corn soup, for example, you can feed him.

1—After about six you select to start with
2—After six months select to start with

You know
that babies
eat what
you eat

SHARP'S

Weekly NEWS

INTERNATIONAL HARVESTER

If this cloudy, cool and wet weather doesn't clear up pretty soon we're going to have a tough time getting the good-looking crops in this district. But we guess it is like that old proverb: It's a rainy day that has no silver lining.

He told W4 about a couple of stories we have on the line that are really funny. We're talking about these two new tractors we have... one's a W4 Tractor, and the other's a W4 Tractor. Now you can talk about the good and bad points in all tractors till you run out of wind... but when you talk about the good points, you have to admit everything about them is "good".

Naturally, they've got lights, starters, they've mounted on rubber... and they've got the finest power plant obtainable packed into them.

To those that get lemons in useful machines... there's more beauty in the lemon than in the orange. It's the same when you leave the best tractor... it's the same.

May Night District

At Canadian Union College, there were by actual count, close to 2,000 pounds of glass smashed in the main building, the boys' dormitory, Maple Hall and the auditorium.

In many cases, drapes and window blinds were ruined by the sludge after hail had broken the panes of glass.

At Morris Shaw, east of town,

Several cars were taken to local garages in town for repairs. The bodies of the automobiles, and even the hub caps, were dented by the force of the hail storm. Damage to Albert Teta's car, for example, will run about \$400, one local garageman stated.

and west, ferocity of the storm and the havoc raised was just as severe.

Mrs. O. Fawcett, our Fairview correspondent northwest of Lacombe, reports that 100% crop damage was suffered by farmers like Bill Douglas, Mrs. I. Kannegesser, Eugene Dussett, Howard Parsons and others.

On the Jim Marchesse farm pigs were reported lost by driving hail stones, whipped by the storm winds.

Those farms which escaped the heavy hail damage, received a buffeting from the winds which in many areas laid crops low.

**Lacomb Engineer
Plays Active Part at
Road-Clearing in Korea**

Special From Armed Forces News
SOMEWHERE IN KOREA
Canadian Engineer's ... 578

They have just completed blasting a 15-mile road through a almost impenetrable range of hills in their sector, thus linking two vital supply routes.

Sgt. John Hill, 22, of Lacombe, a pioneer, helped on the route which rises some 2,000 feet in four miles. Son of Mrs. Margaret Hill, Box 353, Lacombe, he is an

Just two weeks ago the road was a Korrán footpath. It wound and backtracked its way up through a small valley, climbed the side of a mountain and dropped to the valley on the other side. Today, it has been widened, straightened and levelled. It is now suitable for one-way traffic.

Playoff time has rolled around in the Lac du Nord (B) league and semifinal games (best two-of-three series) commence at the school diamond tonight, at 7:30 p.m.

Lend your support and see some good ball here as the dates for playoff games are:

Tues Aug 2	Town	Orleans
Fri Aug 3	Farmington	Lebanon
Mon Aug 6	Orleans	Town

Students will	be, Aug. 7,	1960	Ton
l against	Thur. Aug. 9	Team	Ch

65th Wedding Anniversary

At Regular Monthly Meeting

Lacombe School Division Prepares For Beginning of 1950-51 Term

A large number of routine matters, most of them relating to the school year beginning on September 1st, were discussed at the regular meeting of the Lacombe School Division Board on August 15th.

It was noted that a building for the new school year will be initiated for the year 1950-51.

With some extra work being considered, necessary transfer of the school year will be initiated for the year 1950-51.

With some extra work being considered, necessary transfer of the school year will be initiated for the year 1950-51.

What Our "O.K." Warranty Means To You

No offer has ever been made like the offer made to you on our "O.K." Warranty on Used Cars. We will guarantee all our "O.K." Used Cars for 30 days (or 1,000 miles of driving) which ever is the shortest. Remember. This means that your Used Car purchased here has a virtual "new car" guarantee for 1 month, or 1,000 miles of driving. No catch to this — no quibbling. McTaggart Motors stands behind their "O.K." Used Cars. The finest offer you can possibly receive — anywhere.

VOL. XLVII-No. 48

Town Council Grants Lions 20-Year Lease

Lacombe Lions club was granted a lease on the downtown hall for a period of 20 years, on Monday night's meeting. At the previous meeting, it was agreed that a 10-year lease should be sufficient, but the Lions club requested a longer period. It is possible that the Lions club will be able to obtain the agreement to provide for a lease for the entire 20 years. Oliver Vickers was in the chair in the absence of Mayor Thomas Wilson, and much motion business was dealt with. Don McClellan, speaking on behalf of the Lacombe Kiwanis club, requested that the Lions club be granted a 20-year lease on the hall. The Lions club has been in the hall for 20 years and has been a valuable asset to the community. The Lions club has been a valuable asset to the community. The Lions club has been a valuable asset to the community.

Alberta Co-op Plan Postponed

Formation of a retail store in Lacombe under the direction of the Alberta Co-op Wholesale will be postponed indefinitely. This was decided at a meeting held Tuesday night before the town hall. Present at the meeting was William Linton, organizer for the Alberta Co-op Wholesale and eight members of the town's advisory committee. After considerable discussion it was decided that because of adverse crop conditions, limited time for organization, and general lack of interest on the part of the residents, that the matter should be dropped. "At least for the time being."

Members of the advisory committee at the meeting were John Henderson, Frank King, John King and Nelson Butler. John King and Nelson Butler.

Street Prowler
Reports Investigated,
Traced to Town Driver
Serious matter of a street prowler in the district at the night club on the 5th street. The prowler was traced to the town driver.

Constitution of the union of L.R.C. has been postponed. The union of L.R.C. has been postponed. The union of L.R.C. has been postponed.

Local Resident Boy Racer to Participate in Show
Harvey Shaw in Labor Day Races

Garden Work on Pansies and Violets Keeps Big Dividends

(By Bert Brennan)
This week we will deal with very useful plants, the pansies and violets. These are plants which will often live through a winter and will be ready to bloom in the spring.

In planning for the fall, about April 1, they make nice flower beds by themselves. They are easy to grow and will often live through a winter and will be ready to bloom in the spring.

These plants are very useful and will often live through a winter and will be ready to bloom in the spring. They are easy to grow and will often live through a winter and will be ready to bloom in the spring.

Public Apptly in Government

RAY THOMAS, secretary of the P. W. for his constituents, emphasized the need for more public participation in government. He stated that the government is not doing enough to involve the public in its decisions. He called for more open communication between the government and the people.

Mr. Thomas said he would appreciate being kept in the loop on all matters of public concern. He stated that the government is not doing enough to involve the public in its decisions. He called for more open communication between the government and the people.

The Old Road Stand

THE old fashioned type of road stand, circular in shape, with the kind of open air setting that suggests a beautiful park, is fast disappearing from the scene. It is being replaced by the modern, enclosed, and more comfortable structures.

Removal Notes

Woods at Threshing

The superabundance of corn and wheat and other crops has caused a shortage of threshing machines. Farmers are having to wait longer than usual for their machines to be repaired or replaced.

These are the reasons why the harvest is being delayed. Farmers are having to wait longer than usual for their machines to be repaired or replaced.

Reflection of The Times

Improving the Civil Service

The most important cause of inefficiency in the civil service is the lack of competition from the private sector. The government needs to attract more talent by offering better pay and benefits.

Mr. Brown's suggestion is to have a competition for the best people. He believes that this will improve the quality of the civil service.

Chigwell

CHIGWELL -- We are sorry to report that J. Gable is in the hospital. He is recovering from an illness. We hope for his speedy recovery.

Mr. and Mrs. Gable are in Chigwell on Sunday. They were on their way to visit their friends in the area.

Mr. and Mrs. Gable are in Chigwell on Sunday. They were on their way to visit their friends in the area.

What About Your Straw?

The heavy growth of straw in Alberta crops this fall will mean long heavy harvest, stable and thick straw cover. This will be a good thing for the soil.

Mr. Brown's suggestion is to have a competition for the best people. He believes that this will improve the quality of the civil service.

Purchase of Import Butter

Purchase of ten million pounds of import butter has been announced by the agricultural products board. The butter will be imported from New Zealand and other countries.

Local Hunters Turn Out As Season Opens

Hunting season opened last Thursday at sunrise, and many local numedro were out around the district lakes to try their luck for the first time this year.

Some fair bags were reported, the best of these being three

Here are some of the parties which were formed as reported to The Globe this week:

Bob Park and Joe Edgington got

their history on a successful naming trip east to Coronation over the week end.

Dick Gurney, Dick Hall, Frank Adamson, Dick Morrison and Bob Thurber dugged 13 in an outing east of town.

Al Amsw, Tom Smith and Ed

Goodridge of Red Deer brought home a couple. They were out by Gull Lake.

Reid Kerr and Eric Almqvist got four at Haunted Lake, near Alex.

Bob Gilmour, Bert Gilmour,

Calgary Meeting

Lacombe is likely to become a harness-racing centre again if present plans of the Alberta harness racing association to form a provincial-wide circuit materialize.

A meeting was held in Calgary over the week end to discuss the formation of such a racing circuit. Attending from Lacombe were Marshal Douglas, Jim Alexander and Shel Forsyth.

sings of a smug material world. People are prone to lose their sense of values. They tend to direct their energies toward a continuous climb to higher levels of social life and comforts, and toward the possession of more luxuries and labor-saving devices. The danger is that civilization, while striving for worldly riches, will fail to achieve in the process a spiritual peace of mind.

in relative poverty, who has "found himself" in happiness surrounded by a loving wife and household is thrice better off than the tycoon who enjoys financial power but lacks and fails to comprehend the strength and beauty of a family and a home. He has travelled the wrong road in life and now, as the author says, "the wrong road leads to nowhere."

God made a complex world, but joys can be found in simple things. These joys are spread throughout the globe for all of us and for these, we give thanks.

The late Mr Huckle believed that the only kind of printing was good printing. He had no use for poor, half-finished jobs, and to achieve this end, he purchased a great deal of first-class printing equipment during his career, in a never ending effort to uphold his belief

Not did he believe in an unclean newspaper sheet. Scandal and rumor had no place in his columns. Instead, he wielded the influence and power of the press toward building a bigger and better Innisfail. His was a community paper in every sense of the word.

No editor had higher principles than Ben Huckell, and he lived up to them.

The World Series teaches us a number of things. It teaches us that good, clean sport is a healthy and vigorous way to take us away momentarily from the cares and worries of the business world. We can relax, detached from our tireless day-to-day routine, to cheer on our favorites.

another lesson. Here, negroes and whites, and players of all nationalities are teamed together to win coveted baseball supremacy of the world. All races are working together and co-operating toward a common end - even so people of many races are listening. This example in the field of sport could be paralleled in world affairs to the common good of all.

Reflection of The Times

The Silent Treatment

We like certain types of music, and do not condemn anyone who differs with our taste. Some prefer the Dixie Land stuff, others a symphony, but this day and age in the west especially the majority we believe, prefer the wailings of Pinto Pete and his Pinto Franksters or Bad Ram and his Bobbing Cuck. As we have said before all people do not prefer the same line of musical entertainment.

We enjoy a cup of coffee and sandwich with our friends, and added to this enjoyment would be a quiet minute or so for conversation. Just try to get that with the nickel juke box "tuned in" for the loudest reception.

Thank goodness we have one man in Hanna who agrees with our opinion on the

juke box. He has suggested that another button be added to the dozen or so tune selectors. This button would entitle the person to drop in a nickel and receive nothing more than five minutes silence. Such heroes are made not born.

Early Morning Fire Back in 1906

situated about where Pedersen's
Hole is today was reduced to a
pile of ash. The rest of the bridge
business section was ruined.

Among the buildings burned in
the fire was Insaky's hotel, ad-

THE ECONOMY

Editorial
Cassidy, H. J. Vancouver, B.C.
Julia Barnes of Canada
Class "A" Writers of Canada

Intervention of Bankers at Fire

People must be patient and lacking in emotion when they read in the Globe and many other papers the story of the fire at the Lacombe fire brigade.

The emergency of an unsatisfactory situation and the need for immediate remedy was something that the fire brigade members, who made a personal contribution to the town council at the meeting last night, were not likely to have been able to do so without the intervention of the fire department and the action of the fire department at every turn. It was their duty to do so.

At every fire to apprehend fire-breakers who seek their own illegally new systems and who may destroy the work of the fire department.

This is good, and the threat of court fees may help to effect the best of an unsatisfactory situation. The Globe still judges that the fire department is not doing its best in the matter of fire insurance, but more than a year ago, this paper requested the help of citizens in pulling over the fire department in the matter of a fire insurance. It was in order to give the fire department the right of way in reaching their destination at the earliest possible moment. From that time on, the fire department has been making an improvement in the matter of fire insurance.

The Lacombe Globe, Thursday, October 18, 1931

As The Nelson School Cornerstone Was Laid in The Year 1907

Nelson school in Lacombe. The familiar brick school which has served as a place of education for thousands of local children laid its beginning back in the year 1907. This picture was snapped on a fine summer morning, August 31, last year, as premier R. B. Bennett of Alberta laid the cornerstone in an official ceremony. The lady spectators in the fashionable hats of the era.

Cornerstone Laid By Provincial Premier

Nelson School Saw Beginning Back in 1907

The Times of Lacombe was laid on August 31, 1907, to have the presence of premier R. B. Bennett of Alberta, who laid the cornerstone of the Nelson school at its inauguration ceremony.

It was an occasion for great rejoicing, for it was the beginning of the first truly substantial school in Lacombe.

The old log schoolhouse across the main street was the site of the first school in Lacombe. It was built in 1823. In 1898, a newer two-story school was erected on the town square, but this school was destroyed by fire in 1907.

It took time and a growing population, of course, to make full use of the old school. It was not until 1907 that the present school was built on the town square.

Lacombe Theatre
PLEASANT THEATRE
THURSDAY, FRIDAY AND SATURDAY, OCT. 18, 19, 20
In the new play "The Girl Who Came to Stay" by J. M. Barrie, the story of a young woman who comes to stay in a house and changes the lives of everyone who knows her.

Cheaper By The Dozen
The greatest production in the history of the Lacombe Theatre. The story of a family of twelve children who live in a small house and have to make the most of their money.

Three Came Home
The story of three soldiers who come home from the war and find that their lives have changed. The story is told in a powerful and moving way.

Wahash Avenue
The story of a young man who goes to Wahash Avenue and finds that his life is not what he thought it would be. The story is told in a powerful and moving way.

The Mating Season
The story of a young man who goes to the mating season and finds that his life is not what he thought it would be. The story is told in a powerful and moving way.

**Lions Report
\$800 Proceeds
After Carnival**

Interim financial report on the outcome of the big Lions Club carnival last week was given by chairman Don McFadden before the regular meeting of the Lions club here.

After paying for all expenses, including \$150.00 rent for the use of the M. R. C., it is anticipated that net profit of approximately \$400.00 will be realized.

The meeting was occupied chiefly with business, and ways and means of raising more funds to meet the obligation of the Lions to donate to the M. R. C.

It was decided that a nomin-
ation committee would bring in
nominations for the office of third
vice-president for all the years.

Fred Stewart was delegated to meet with representatives of the other local service clubs regarding erection of signs posting meeting days alongside the highway north and south of Lacombe.

President Bill Risdon occupied the chair for the meeting. Community singing was led by Tien Wilkes and Ken Cross accompanied by Mrs. Thelma Skelton.

BIG GAME HUNT

one top into the game, except last week and just a few Saturdays with the full squad of nine. The hog soon lost its ticks and a deer

**Former Resident Here,
Frank Lewis Passes
At Powell River**

Word was received here of the death of Frank Lewis, a true resident of Leavenworth, who passed away last Friday at his home at Powell River, B.C. He was known a lengthy illness. He was 71 years of age.

The late Mr. Lewis worked at the experimental station at Ag-

Left to mourn his passing are his wife; five sons; Hudson, 3-4-

George and Ernest of Powell River, and Arthur of Lacombe; and three daughters, Mrs. Floyd Bruce and Mrs. J. C. Whaley of Lacombe, and Mrs. H. A. Smitheram of Merritt, B. C.

"Caterpillar" Your BREADWINNER

This year, the man who owns tracks is the man who gets his work done, and makes the most of every minute. The large supporting area of tracks means less rolling, even in soft, rutting ground. The large pulling area of tracks means less slipping, less energy loss, a reduction in fuel. On a V-TWIN DIESEL, 12 HP TRACTOR, and harvest where you want to. Harvesting with a D2 is the way to keep your landbreakers full!

Lakebu arena will be open for public skating starting at 1:30 p.m. Sunday, providing the weather doesn't warm up so much that the ice surface is ruined.

Councillor A. E. Ellis, in charge of the rink committee, reported Wednesday that this public skating session was the most successful yet.

L. R. T. "Floppy" Hopkins is the chair. Others present in the chair. Others present in the chair. Others present in the chair.

Cadet enrolment this year was 43, compared to 47 last year.

Word that a scout patrol may be formed here caused the board to re-evaluate the position of the Queen: one son, Lorne, is the R. C. A. F. at Edmonton; and four daughters, Mrs. Iva Ruth Woodward of Duncan, B. C., Mrs. Frank Knight of Bentley, and Misses Margaret and Marjan at home. There are two grand-

ization to teach cadets better citizenship. Samuel of Trenton, Ont.

Lakeside F.U.A. Local to Sponsor Program Dec. 5

LAKESIDE (ANYONE) The Lakeside F.U.A. Local will hold its 10th annual Christmas Dinner at the home of Mrs. Baker on Friday, December 5, at 8:00 p.m. The program will feature a variety of entertainment and a cash drawing. The proceeds will be used to help needy families in the community.

Everybody is invited to come, as well as your friends. It promises to be a very good program.

Walter Lee, Dave Carver and two other boys left Saturday morning for a short trip to Spokane, Wash.

Mr. and Mrs. H. Lamb and Mrs. Muelster attended the U. A. meeting at Northampton Monday evening.

Vaccination For Bangs Finishes up

Completion of the best and largest vaccination campaign against bangs disease has been accomplished in the Lacombe M.D. office.

Under the direction of the Lacombe agricultural service, 215 farms were visited and vaccinated 875 calves against bangs.

Due to inclement autumn weather, and the uncertainty of the harvest, the proportion of calves vaccinated was still the greatest in history.

Mr. and Mrs. Ed Chowen need an introduction to residents of the district. Married 50 years ago last Monday, they have spent most of their life in the district. They have been interested in community affairs for many years.

Mr. and Mrs. Ed Chowen, Bentley, Celebrate Golden Anniversary

It was back on November 28, 1901, that young Edward Chowen and Elizabeth Elizabeth, daughter of Mr. and Mrs. J. H. Chowen, were married at Georgetown, Ontario.

From their family, there are now seven children, three sons and four daughters. Mr. and Mrs. Ed Chowen are now 50 years old.

A Special Message from your B of M manager...

I am pleased to inform you that the whole Canadian way of living is being brought to you by the B of M. This is a great opportunity for you to get the best of the B of M.

Mr. and Mrs. Ed Chowen need an introduction to residents of the district. Married 50 years ago last Monday, they have spent most of their life in the district. They have been interested in community affairs for many years.

Seagram TELLS THE WORLD ABOUT Canada

Created and signed by The House of Seagram, this advertisement, with appropriate copy for foreign lands, is appearing in magazines and newspapers in various languages and circulated throughout the world.

Many people of other lands know about the company, the greater will be their interest in Canada and Canadian products.

The House of Seagram feels that the harvest of industry does not terminate at the borders of its plants; it has a broader horizon, as far as the welfare of the world is concerned, and the development of Canada's status in every land of the globe.

Many people in Latin America, Asia, Europe and other parts of the world are not fully aware of the richness of Canada's natural resources, and little, waste, heavy and cultural traditions. The more they

Seagram TELLS THE WORLD ABOUT Canada

The advertisement was designed by The House of Seagram to tell the people of other lands about Canada and things exclusively Canadian.

Many people in Latin America, Asia, Europe and other parts of the world are not fully aware of the richness of Canada's natural resources, and little, waste, heavy and cultural traditions. The more they

Lacombe Service Clubs Combine For Children's Christmas Party

A long-up Christmas party for manhood phase of organization.

A cooperative meeting of service clubs was held last week to discuss the event, Gordon Love and Doug Cartwright representing the Legion, Ray Poley and Ben Mann the Rotary, Ted Hendricks and Tom Smith the Kiwanis, and Les Threlkorn and Russ Patrick the Lions.

Full and able direction of the program was deemed necessary because in a sense the children's Christmas party this year will take the place of former theatre Christmas parties.

Reservations for Christmas Ball should be made at once to insure a full and able direction of the program.

Without taking away the "war" element, it is safe to say that the children's Christmas party this year will take the place of former theatre Christmas parties.

26 Coyotes Destroyed in M.D.

"Coyote-Getter" Baits Bringing Good Results

At least 26 coyotes in this area have been found dead within 30 or 40 yards of the killing traps.

These traps are operated by the coyote getter, a man who has been successful in trapping the coyotes throughout the area.

At the 40th anniversary of the coyote getter's work, it was noted that the coyote getter has been successful in trapping the coyotes throughout the area.

Red Deer Edges Lacombe 3-2

Hedley Currier

Lacombe's Jewellers

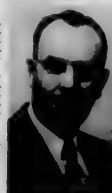

Lacombe Canucks dropped an exhibition tilt to Red Deer's Whyte Motors Mustangs at the local arena last Saturday night by a score of 3-2.

This opened a brand new hockey season in Lacombe, and a large crowd came to 1966 through excitement in the game to keep it interesting. The two teams played a very close game, with the home team leading 2-1 at the end of the first period. The players fought about the midline, and the home team's lead was not to be broken up until the second period. The game was a very close one, with the home team leading 2-1 at the end of the first period. The players fought about the midline, and the home team's lead was not to be broken up until the second period. The game was a very close one, with the home team leading 2-1 at the end of the first period.

But to get back to the scoring, it was 1-0 after the first period and Red Deer took the lead 2-1 after the second, which was good enough for the win when the third period went scoreless.

The game didn't have everything in the world, but it did reveal that both clubs are fast and smart, and they should give a good account of themselves in regular play.

League action at Lacombe will be the last Saturday, December 8, with Olds Elks as visitors.

Harold Starn

Who, as president of the 1951-52 Lacombe curling club, started off the season last Monday by leading his charges against those of vice-president Andy Glenroy.

The annual president vs. vice-president curling competition.

Lacombe, Edmonton Divide Basketball Series Last Week

In two of the best exhibitions basketball games the winter Lacombe school boys teams split a doubleheader with Victoria composite high of Edmonton last Friday night. A large Lacombe crowd was on hand at the gym to see the local girls was a dandy, 25-21, while the boys were being a rowdy 27-17.

The Lacombe team went all out in the second half to win 25-21, as they were down one point at the half. They were rough, but the boys were being a rowdy 27-17.

Thelma Fritzel led the way with seven points. Shirley Reave and Dorcas West had six each. Stuart Kato and Bruce Wilson combined four apiece and Mary Lou Kasperow collected two in a real time.

The boys' game was tied 12-12 at the half, but the Edmonton visitors pulled away after that. Ray Oakes was top scorer for Lacombe with eleven points. Dean Chesser collected eight points. Don Woods scored. Barry Henderson, Dave Red Sanger and "Bert" Crankshaw took each.

LACOMBE, ALBERTA, THURSDAY, DECEMBER 13, 1951

Legion Has Election of New Officers

Selection of officers for the Lacombe branch, Canadian Legion, was held at the regular meeting in the Legion hall last Thursday night.

New first vice-president is Don Sharp; second vice-president, George Brown; executive - Bob Davies, Don McCormick, Gordon Knapp, Lloyd Rasmussen.

Reorganization of the executive was elected by acclamation at the last meeting. They are: George Simpson, president; Les Wooten, secretary; Ray Cartwright, treasurer; Albert Breda, auditor; and Bill Brader, sergeant-at-arms.

Installation of new officers will take place in January. An official from the provincial command will be in Lacombe to install the new executive members.

Business at the meeting included a discussion on civil defense and the co-operative Christmas party being held in conjunction with other local service clubs. Reorganizing president Les Wooten was in the chair.

Legionnaire Gordon Lewis reported that net proceeds of \$200.00 were derived from the November 11 concert and dance. This was not quite as much as last year, but expenses proved heavier than usual.

A vote of thanks was rendered to Bob Davies, for the splendid work done on the Legion hall. He was foreman of this job.

A special meeting of the Legion is being held this week for the purpose of approving the club's by-laws, which were recently drafted and approved by the executive.

It was mention time at the Calgary C. P. R. dept. last week, when men of the 2nd Battalion, C. P. R. C. I. L., returned to Canada after a year's fighting in Korea. Among the fortunate returnees was Pvt. Jack Brown of Lacombe (photo).

Harry Otto of Medicine Hat, who was rewarded for his work in a higher court, when he appeared in Lacombe police court recently on a charge of battery, was acquitted at Red Deer last week.

R. C. M. P. notified Orlan Peterson of two highway patrolmen to see him "bribe" a

January 3 Camrose will play at Red Deer (at the Lacombe arena). **January 8** Wetaskiwin will play at Red Deer (at the Poncha arena).

Omit January 10. Red Deer at Camrose, and omit also February 5, Camrose at Red Deer.

Due to ice conditions, Red Deer played at Stettler last Saturday instead of Wetaskiwin, and adjourned a 2-2 series.

News From Milton and District

Fairview W. A. Holds Meeting

(Two Late For Last Week)
FAIRVIEW The W. A. met at the home of Mrs. R. J. Pomeroy.

It was decided to send \$50 to St. Stephen's building fund and \$25 to the Milton District. A total of \$75 from the meeting.

Mrs. Lovell gave a splendid report on the W. A. rally at Old St. Stephen's on November 17. They saw a lot of the Old St. Stephen's and a lot of the new St. Stephen's.

The next meeting will be held on January 7. The next meeting will be held on January 7.
